James H. Kell, president

July 23, 1981  
Project #1085

STAT [redacted]  
Security Office  
Central Intelligence Agency  
Washington, D.C. 20505

STAT [redacted]  
I have enclosed our schedule for gathering traffic data beginning the week of July 27, 1981. I have requested that Mistery Savoy, Rottman, and Patterson check in with the Security Office each time that they are in the area to gather data.

Thank you for your help.

Very truly yours,

JHK & ASSOCIATES
